HIGH-END PRIVATE

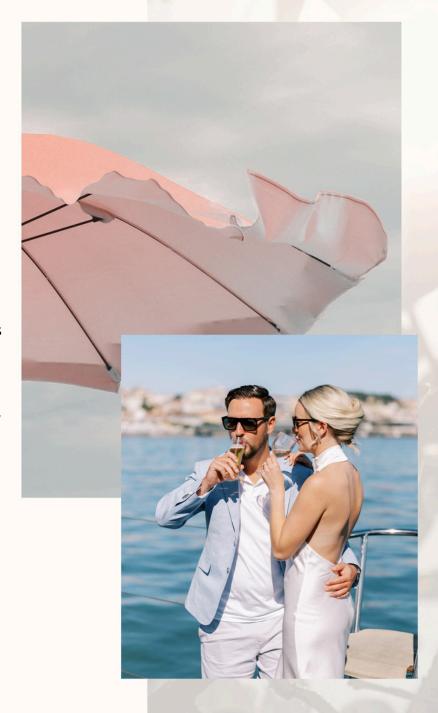

At the bow, the waves beat the song of endless freedom across the sea.

In ancient alleyways, stones whisper stories of times long past.

Doors that usually remain closed open wide. Locals invite you to become part of real life. Whether it's a private yacht cruising the sun-kissed Amalfi Coast, an exclusive evening beneath the stars of the Vatican Museums, or a cooking class with a true Nonna in the scenic Val d'Orcia – the a-modo team crafts magical experiences for your clients.

We are tireless in our search for the **warming magic** of everyday life, for the **small and grand surprises that make life richer**.

With passion and a love for detail, we open the doors to Italy's authentic soul.
Your clients will be enchanted by the true beauty of this extraordinary country – by moments that linger and stories they will tell again and again.

BETTER TOGETHER

Hand in hand, gazing out at the endless shades of blue that dance across the sea.

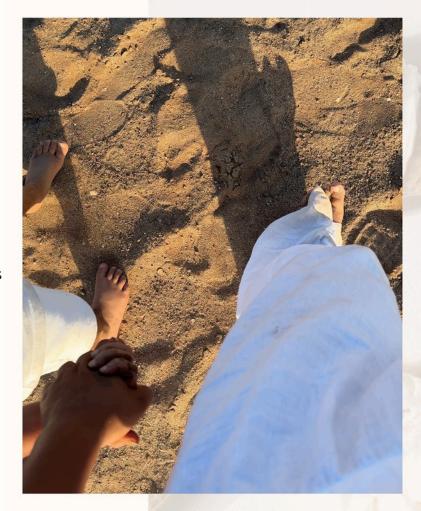

Sharing the world's best pizza, laughing and marvelling together, soaking in the majestic history of the land.
Celebrating life with all the senses.

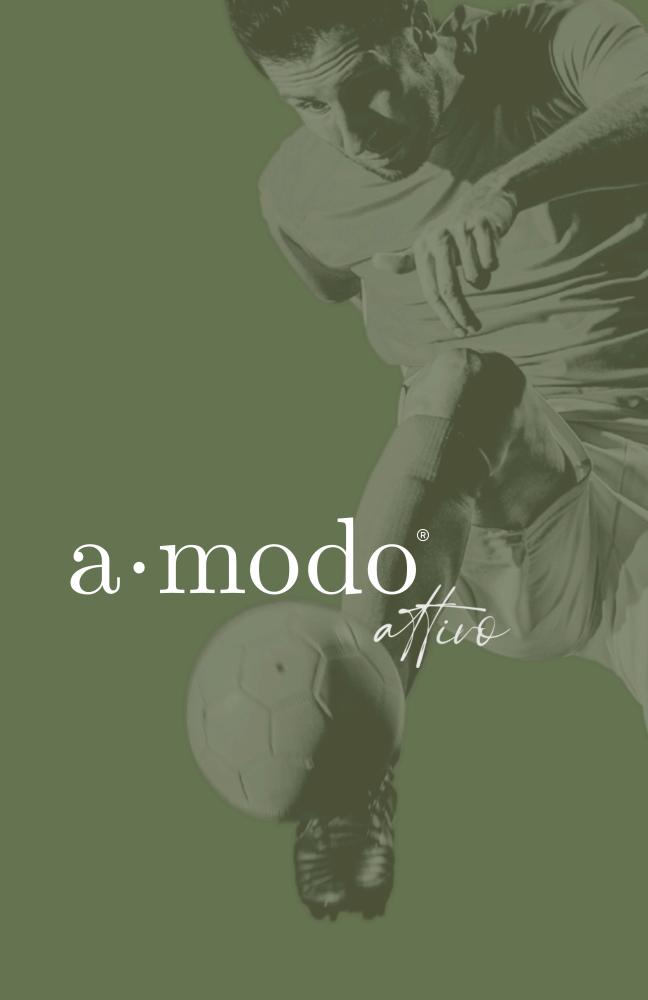

Our curiosity is our drive.
Every day we set out on a journey of discovery,
constantly searching for new trends and hidden gems across Italy.

This is how we create programs that transform group journeys into true wonders of experience.

An a·modo "Favourite People" journey is a perfectly curated event where every detail matters.

Tailor-made, distinctive, and refined to the smallest nuance to match your clients' every wish – for the most precious time with the most important people.

SPORT-EVENTS

FOR FOOTBALL TEAMS

The spirit of competition fills the air. Teams focus on their **sporting excellence**, while every surrounding detail is perfectly designed to support it.

We already support some of the most renowned football clubs from Austria and Germany during their Europa and Champions League matches in Italy.

EVENTS

The crickets are singing.

Cypress trees sway gently in the summer breeze.

The view blends with a sense of creative contentment.
At the end of the day, your clients linger with colleagues over a glass of Tuscan red wine, surrounded by olive groves as the sun sets behind the soft hills.

With a modo, every business event becomes more than a success – it becomes an unforgettable experience, where team spirit and inspiration come together in a truly extraordinary setting.

For us, the magic begins with finding the **perfect location**. We take care of everything – from a **smooth arrival** to **culinary delights** during the event – so that each occasion leaves a lasting echo of **joy and success**.

Laptop under the arm, heading relaxed to the next meeting.

A hotel that reflects your brand, a process that runs seamlessly and with care – so that the business focus remains at the centre and can unfold successfully.

INCENTIVES

When your feet dangle in the air and the beauty of the Amalfi Coast unfolds beneath you. When the salty scent of the sea releases happiness and the paraglider slowly begins to descend – that's when an incentive journey becomes a way of saying "thank you."

We design tailor-made incentives that inspire your team, boost motivation, and celebrate people with genuine appreciation.

Whether it's a regatta on Lake
Garda, a treasure hunt through
Rome's ancient alleys, or a
paragliding adventure over the
Amalfi Coast – each experience
strengthens team spirit and
creates unforgettable
moments that lead to greater
fulfilment and success.

And you give your team the precious feeling of truly mattering.
